Before a membership card can be issued: required range liability waivers must be signed and returned. For a family membership, your spouse must sign their own waiver and return it. A parent/legal guardian must complete the required waiver for each minor. This application does not replace those waivers.

Applicants must be at least 18 and a U.S. citizen or legal resident. Bring current, valid government-issued photo ID. Staff will take your membership-card photo at the office.

04 MEMBERSHIP TERMS & ACKNOWLEDGMENT

Term, payment and renewal. Membership runs July 1 through June 30 of the following year and remains valid through June 30. Midterm dues are prorated; new members pay a $65 initiation fee. Membership does not renew automatically. Renew by July 31 to avoid another initiation fee. Renewals after July 31 require reapplication and the $65 fee. Cash, check and credit/debit cards are accepted.

Expiration and remaining prepaid clays. Membership expires July 1. If you return with an expired membership, staff will address renewal at check-in. Renew by July 31 to retain your discounted prepaid clay balance without another initiation fee. If you choose not to renew, remaining discounted clays are converted to an equivalent number at the non-member rate, based on their remaining purchase value. You may keep your existing card to use those clays, but membership benefits no longer apply. This applies to Clays, Gold and Gold Family memberships.

Family coverage and card use. Freedom Family and Gold Family rifle, pistol and archery access covers the primary member, their spouse, and their children under 18 living at home. Other relatives and households are excluded. Clays benefits in Clays, Gold and Gold Family may be shared with the member's spouse and children of any age when attending with the primary member; this does not grant adult children rifle, pistol or archery access. One photo membership card is issued per membership. The primary member must be present for family benefits. Cards cannot be loaned or transferred; replacement cards cost $10.

Waivers required before card issuance. Each participating adult, including your spouse, must sign their own range liability waiver. A parent/legal guardian must complete the required waiver for each minor. For family memberships, the signed spouse waiver and required minor waivers must be returned before the membership is complete and a membership card can be issued. Signing this application is not a substitute for the separate range liability waiver.

Range access and check-in. Present your membership card at every check-in for staff verification before entering a bay or shooting area. All clay shooters must sign in at the Saltwaters office (camo building); staff will verify status and check the clay balance. Range access is subject to availability, events and maintenance. The 770-yard range is excluded from membership range access. Operating hours may change. Follow all range safety rules and staff instructions; failure to comply may void membership.
